

One photo. Its story.

Start with one picture. Record what is known, remembered and still uncertain.

Photo reference / filename

Original location / current keeper

Memory shared by

Conversation date / notes taken by

People from left to right / full names and family nicknames

Place / date or estimated range

Writing on back / other evidence

What happened before, during or after this moment?

What is uncertain? Who recalls it differently?

Who may see the photo / notes / recording? Anything to keep private?

Digital copy and notes saved at

Second copy / person to ask next

Keep this sheet separate from the original. Label the empty enclosure, not the image. Keep recollections and guesses distinct.
